Dear Mr. DeVany:

After due consideration of the three options submitted by DOT, it is our belief that the air service market at Greenbrier Valley Airport would best be served by the continuation of the current service which is Option 1 of the Mesa/Air Midwest proposal. This has a subsidy of \$999,479 for seven roundtrip flights per week to Charlotte, five roundtrips per week to Dulles and four roundtrips per week to Pittsburgh.

Respectfully yours,

Jesse O. Guills, Jr., Chairman
Greenbrier County Airport Authority
