SUBJ. : Certification of reciprocity

U.S. Department of Transportation  
Federal Aviation Administration  
800 Independence Avenue, SW  
Washington, DC 20591

Dear Sir,

Turkish Directorate General of Civil Aviation expresses its deep respect to Federal Aviation Administration of U.S.

We have been informed that a certification of reciprocity is necessitated for a foreign air carrier as MNG Airlines to conduct fifth-freedom cargo charter operations to U.S.

Enjoying the rights of U.S. carriers is considered favourably by our Authority in the reciprocity principle which is being provided by the Bilateral Air Transport Agreement between Turkey and U.S: dated 2<sup>nd</sup> May, 2000

For your kind information and action.

Yours sincerely,

  
Dr. Ali ARIDURU  
Acting Director General,  
Civil Aviation
