**Re: Application of Florida West International Airways, Inc. for a Dormancy Waiver  
(GDL/HOU/CHI), Docket OST-2005-22151**

Ladies and Gentlemen:

Please be advised that we have completed our polling of all persons named on the service list of FWIA's application filed on February 8, 2006 and that, with the one exception described in the next sentence, each such person has advised us that they either have no comment or no objection. The one such person whom FWIA did not hear from was the U.S. Military Airlift Command which, because FWIA is not a member of CRAF, would have no interest in FWIA's application.

Sincerely yours,

Marshall S. Sinick
