RE: DOT 2006-6-10, Docket OST-1998-3521-79
 Support for Air Carrier Operations at Castle Airport

Dear Mr. DeVany:

I am writing on behalf of the Atwater Chamber of Commerce and to express our support for passenger airline service at Castle Airport. On behalf of our Board of Directors and the businesses within this community that we represent we believe that Castle is an exceptional airport and an ideal location for passenger service.

Castle is conveniently located, essentially in the center of a rapidly growing County, making it a natural choice for the business and pleasure traveler. Castle has a long runway and extensive parking areas for aircraft and vehicles. It is a great location for Essential Air Service (EAS) now and for expanded services to this community for the business traveler into the future.

We look forward to the growth of passenger services from Castle Airport to other locations, particularly those that service business centers on the West Coast and we feel it is time for Castle to serve that need. Please contact me at 209-358-1526 if there is anything further needed in regards to supporting this timely endeavor.

Sincerely,

Robert E. Rodarte Jr.
 2006-2007 President
 Atwater Chamber of Commerce
