**RE: 2007 U.S.-China Frequency Allocation Proceeding  
Docket OST-2006-25275**

Dear Ms. Rosenberg:

I have polled all parties listed on the attached certificate of service regarding Federal Express Corporation's August 18 Motion for an Immediate Allocation of All-Cargo Frequencies. I have received responses from most of those listed, and no one who has responded objects to the motion. More importantly, all of the carriers eligible to receive frequencies in this proceeding (American, Continental, Northwest, Polar, United, and UPS) have responded, and they do not object to our motion.

We are aware of the notice the Department issued yesterday shortening the answer period to our motion, but we wanted to provide you with this additional information. I am filing a copy of this letter in the docket and providing a copy to those listed on the attached.

Cordially,
