Docket OST-2005-23307

**MOTION OF AIR LINE PILOTS ASSOCIATION
FOR CONFIDENTIAL TREATMENT**

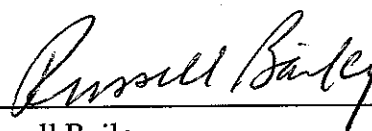

Pursuant to Rule 12 of the Department's Rules of Practice, the Air Line Pilots Association ("ALPA") moves to withhold from public disclosure the confidential version of its Answer to Virgin America's Objections to Order 2006-12-23. In accordance with Rule 12, ALPA is submitting copies of its confidential Answer to the Department separately in a sealed envelope bearing the caption for this case and marked "Confidential Treatment Requested Under § 301.12." ALPA's confidential Answer contains information from documents for which access has been limited by the Department's confidential treatment rules and Order 2005-12-13. Accordingly, ALPA asks for confidential treatment of the confidential version of its Answer submitted

today to the Department. ALPA's public version of its Answer shows where confidential information has been removed.

ALPA's confidential Answer is being served only on counsel for the applicants and other counsel who have submitted valid confidentiality affidavits in this docket. ALPA is submitting in this docket a version of the Answer with the confidential portions redacted and serving it on counsel for the applicants and all other persons listed on the attached service list.

WHEREFORE, ALPA asks the Department to grant its motion for confidential treatment.

Respectfully submitted,

Russell Bailey
