Docket OST-2000-6592-50

Mr. Dennis J. De Vany, Chief
EAS & Domestic Analysis Division
Office of Aviation Analysis

Dear Mr. De Vany:

We appreciate the essential service subsidy that the U.S. Department of Transportation is giving the city of Ponce from San Juan.

For our future Economic Development Plans, including the Transshipment Port of the Americas Project, among others, the continuation of said services is of great importance.

Therefore, considering that Cape Air has proposed to continue the service and that no other carrier has expressed interest in serving the route, we endorse hereby said petition.

Cordially,

Francisco Zayas Seijo, Mayor
Autonomous Municipality of Ponce
