Re: Request for Extension OST-2005-21681 -14

Mr. DeVany,

I am in receipt of your letter of July 17, 2007 requesting the review of proposals from Big Sky and Cape Air for the EAS program at Rutland State Airport. Please accept this request for an extension of the suspense date from August 6, 2007 to August 13, 2007.

The City's selection committee will be unable to meet with the carriers or have discussions with other impacted municipalities before the 6<sup>th</sup>, but a one week extension will give us the opportunity to fully review all aspects and details of each proposal.

Thank you in advance for your consideration in this matter.

Christopher C. Louras, Mayor  
City of Rutland, Vermont
