Docket 96-1372

Dear Sir/Madam:

Reference is made to ABSA's Application for a Renewal of Exemption Authority submitted on July 7 , 2007 in the above captioned Docket 1372. Due to a scrivener's error the U.S. coterminal point Washington, D.C. was omitted in the submission's text. Kindly consider this letter as our request for the correction of said omission, thereby including Washington, D.C. in ABSA's Application, as a coterminal point previously authorized in various Notices of Action Taken issued by the Department, in accordance with Brazil-US. bilateral agreements.

Please accept our apologies and thanks for your attention.

Sincerely,

Celestino Pena
