DISPOSITION

XX Granted request for exemption authority (subject to conditions, see below)

XX Granted sua sponte waiver of advance filing requirement under Part 377¹

The above action granting exemption authority was effective when taken: August 9, 2007, through August 9, 2009.

Action taken by: **Paul L. Gretch, Director**
Office of International Aviation

XX The authority granted is consistent with the aviation agreement between the United States and Colombia.

Except to the extent exempted or waived, this authority is subject to the terms, conditions, and limitations indicated: **XX** Holder's certificates of public convenience and necessity
XX Standard exemption conditions (attached)

On the basis of data officially noticeable under Rule 24(g) of the Department's regulations, we found the applicant qualified to provide the services authorized.

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that

¹ ABX's renewal application was not timely filed under the terms of 14 CFR 377.10 (c). In the circumstances presented, including the absence of opposition to ABX's application, we will grant the carrier a waiver of the advance filing requirement.

(1) our action was consistent with Department policy; (2) grant of the exemption authority was consistent with the public interest; and (3) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR §385.30, may file their petitions within seven (7) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.
