**Subject:** Formal Withdrawal of McCook bids

Kevin/Dennis,

Please accept this as Island Air's formal withdrawal of options 3,4,6,&13 that have McCook included.

We still look forward to the opportunity to serve the other airports in this RFP and appreciate the DOT's help with this matter. I have copied in all of the communities and airlines as required.

Please do not hesitate to contact me or Les Murashige with any questions or concerns.

Thanks  
Jeffrey Hartz
