DISPOSITION

Action: Granted, in part (subject to conditions, *see* below) and dismissed, in part.¹ Action date: May 30, 2008

Effective date of exemption authority granted: May 30, 2008, through May 30, 2010.

Basis for approval (bilateral agreement/reciprocity): The authority is provided for in the the U.S.-EU Air Transport Agreement.

¹ The carrier's request for renewal of its authority under the U.S.-UK Air Services Agreement is now moot, with the provisional application of the U.S.-EU Agreement on March 30, 2008. We are granting Flyglobespan the authority it has requested under the U.S.-EU Agreement, and will dismiss the remainder of its request for exemption authority.

Except to the extent exempted/waived, this authority is subject to the terms, conditions, and limitations indicated:
X Standard exemption conditions (attached)

Conditions: With regard to the authority granted here to conduct transportation authorized by any additional rights made available to European Community carriers in the future, we are requiring Flyglobespan, before it commences any new service under this authority, to provide us, in Docket DOT-OST-2006-23542, with evidence that it holds a homeland license for that new service, unless it has already provided such evidence.

**Action taken by: Paul L. Gretch, Director
Office of International Aviation**

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) our action was consistent with Department policy; (2) the applicant was qualified to perform its proposed operations; (3) grant of the authority was consistent with the public interest; and (4) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted or dismissed, we denied all requests in the referenced Dockets. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR §385.30, may file their petitions within seven (7) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.
