Re: Essential Air Service – San Luis Valley Regional Airport

Dear Mr. DeVany:

First of all, thank you for the opportunity to provide comment on Essential Air Service (EAS) and its importance to Alamosa and the entire San Luis Valley.

Great Lakes Aviation, Ltd. has been providing service to the San Luis Valley for a number of years, and the SLV Regional Airport Board of Control recognizes the importance of EAS to the livelihood of the entire San Luis Valley.

The SLV Regional Airport Board of Control requests your favorable consideration of Great Lakes Aviation, Ltd.'s proposal, and would be eager to answer any questions that you might have.

Sincerely,

Tim Gallagher
Chairman, SLV Regional Airport Board of Control
