* Effective January 1, 1999

** Subject to any frequency allocation necessary to implement cargo service to South Africa under the U.S. South Africa Air Transport Agreement.

This authority is subject to the following provisions:

(1) The holder shall at all times conduct its operations in accordance with the regulations prescribed by the Department of Transportation for the services authorized by this certificate.

(2) The holder shall at all times conduct its operations in accordance with all treaties and agreements between the United States and other countries, and the exercise of the privileges granted by this certificate is subject to compliance with such treaties and agreements and with any orders of the Department of Transportation issued under them, or for the purpose of requiring compliance with them.

(3) The holder is authorized to integrate the authority in this certificate with its other certificate and exemption authority.
