Ms. Paulette Twine, Supervisor
Department of Transportation, Docket Section
400 Seventh Street, S.W.
Washington, D.C. 20590

Dear Ms. Twine:

Reference: Docket OST-98-4346 - 2

On behalf of the Community of Flint, Michigan, I hereby withdraw the application for relief from the High Density Rule in the above referenced Docket. While Flint remains vitally interested in gaining access to Ronald Reagan Washington National Airport, and expects to pursue its goal by all available means, the application is being withdrawn at the current time.

Very truly yours,

BISHOP INTERNATIONAL AIRPORT AUTHORITY

James L. Rice, II, A.A.E.
Airport Director
