

EMBASSY OF THE  
UNITED STATES OF AMERICA

No. 205/94

Kingston, June 6, 1994

Excellency:

I have the honor to refer to the January 25-27 Bilateral Civil Aviation Consultations between the Government of the United States of America and the Government of Jamaica. In light of the understanding reached in those discussions, I have the honor to propose that the U.S.-Jamaica Air Transport Services Agreement of 1969 and the related 1979 protocol relating to air transport, as amended, ("the Agreement") be further amended by adding language to Article 3 as follows:

In operating or holding out authorized services on the agreed routes, designated airlines of either contracting party, which hold appropriate authority to provide such service, may, on the basis of reciprocity, and subject to the requirements normally applied to such arrangements, enter into cooperative arrangements with another airline and/or company which also holds appropriate authority, provided that such arrangements do not include cabotage or revenue pooling.

His Excellency,

Dr. Paul Robertson,

Minister of Foreign Relations

and Foreign Trade,

Kingston.

I have the honor to propose that if the foregoing proposal is acceptable to the Government of Jamaica, this note and Your Excellency's affirmative note in reply shall constitute an agreement between our two governments, which shall enter into force on the date of Your Excellency's note in reply.

Accept, Excellency, the renewed assurances of my highest consideration.
